

Prophetic Word Unto My Highly Disobedient Church

"My son, My Church won't obey Me. I called them to do My will, but so far all they prefer to do is sit around while millions of My lost people go to Hell. They won't do My will that I called them to do. They refuse to preach My Gospel unto the lost. I called all of My people to be ministers, but so far they prefer to sit around while millions perish. Why won't they obey Me? I called all to go into all the world and preach My Gospel. Why won't they obey Me? See the city of Las Vegas. Sinners abound everywhere. But so far they prefer to sit at home and do nothing while millions of My people perish in sin and wickedness. Where are they? Why won't My people obey Me? So, therefore I hand them over to the Devil for the destruction of the flesh. I have spoken. Amen and amen."
